

Sakurao Yuzu Rocks Liqueur

JAPAN

**50CL · 16°****Distillery Sakurao**

TECHNICAL INFORMATION

A showcase for yuzu from the Hiroshima area which grows near the distillery

Two-stage production process: the yuzu peel is infused, then the resulting infusion is distilled while the peel is also distilled to extract the essential oils from the citrus to capture as much aroma as possible. The distillery adds pure yuzu juice to these distillations to reinforce the fruit aromas

TASTING NOTES
